INDEX

This index is for Volume Twenty of The Genealogical Helper -- March, June, September and December 1966. The first figures indicate page numbers; the figure following the hyphen indicates the particular column on that page. Thus Barnwell 8-3 indicates that Barnwell will be found on Page 8, column three.

Since all names appear in alphabetic order in the Directory of Genealogists, pages 79 to 226 inclusive, and they are indexed in the Genealogist's Exchange, pages 261 to 300 inclusive, they do not appear in this index.

The various issues of Volume Twenty (1966) contain the following pages: March - 1 to 40; June - 41 to 76; September - 77 to 308 and December - 309 to 344.
